

RM ENTERPRISES

A Company of Quality

Policy for Waste Management and the Environment

1. The proper safeguard of our environment is important to our organization.
2. While doing our work, we shall consider the appropriate protection of humans, animals, plant life, air, water, and soil.
3. We expect all persons to do their best to prevent harm to the environment.
4. Our goals on the job can be met without risking harm to the environment.
5. We shall use, store, and dispose of products in such a manner that will provide appropriate protection to the environment.
6. Management will develop and enforce good environmental standards in accordance with relevant legislation.
7. Workers will be kept informed on how to do their jobs in such a manner as to cause minimum environmental harm and waste of materials.
8. Where possible, we shall recycle and promote the use of recycled products.
9. All spills are to be reported to Management as soon as possible, clean-up efforts will be determined and implemented by Management.

A handwritten signature in blue ink, which appears to read "Dilip Kumar Khakholia".
